VEHICLES / PLAN THE WORK

Car Maintenance & Service Log

Keep mileage, repairs, receipts and the next service question together.

VEHICLE NICKNAME / MODEL

SERVICE YEAR

01

VEHICLE BASICS

Note manufacturer/model, model year and odometer units.

02

KNOWN CONCERNS

Describe symptoms factually and when they occur, without guessing the cause.

03

SERVICE SOURCE

Keep manual guidance, mechanic reports and receipt locations.

04

NEXT CHECK TO CONFIRM

Check the actual manual or professional advice for service timing.

VEHICLES / TRACK YOUR RECORDS

Car Maintenance & Service Log

Keep mileage, repairs, receipts and the next service question together.

PERIOD / PROJECT

DATE REVIEWED

DATE / ODO	SYSTEM	SERVICE / REPAIR	COST	NEXT STEP

OPEN SERVICE QUESTIONS

VEHICLES / REVIEW + QUICK START

Car Maintenance & Service Log

Keep mileage, repairs, receipts and the next service question together.

01

SAVE EVIDENCE

Keep invoices and written mechanic guidance separate from the log.

02

USE THE CORRECT INTERVAL

Distance, time, driving conditions and manufacturer can all matter.

03

DON'T IGNORE WARNING SIGNS

Seek professional help for braking, steering, tire or other safety concerns.

WORKED EXAMPLE / NOT REAL PERSONAL DATA

per manual.

Oct 12 / 128,400 km / Tires / Pressure checked by service shop / receipt noted / next review

WHAT WILL YOU DO DIFFERENTLY NEXT TIME?

IMPORTANT SCOPE

This log is organizational only. It cannot assess roadworthiness or replace a qualified vehicle inspection.
