Make the next step happen

Each useful action has an owner, a date and a result that can be checked.

ACTION 1 Label a bed or container and record its next observation date.

Concrete next action	Owner / due

ACTION 2 Assign the person checking it and record progress from an actual observation.

Concrete next action	Owner / due

ACTION 3 Use the note for observed soil conditions, weather and what was actually done.

Concrete next action	Owner / due

IMPORTANT CONTEXT

This organizer does not calculate plant water needs or prescribe a watering interval. Check the needs of each plant and actual conditions separately.
