TRAIL RESUPPLY PARCEL TRACKER

Build the baseline

Write facts and sources before filling the main table. Do not guess at missing information.

Project or subject

Date or period

STEP 1 Use one row per resupply stop or parcel and record its next review date.

STEP 2 Keep address checks, opening hours and tracking references in the note.

STEP 3 Update progress only from confirmed information and write a backup resupply action.

STEP 4 Which fact or document still needs checking?

TRAIL RESUPPLY PARCEL TRACKER

Keep a dated record

Record what actually occurred. Reprint this page whenever you need more rows.

Reference period

Review date

Outstanding question or record to confirm

TRAIL RESUPPLY PARCEL TRACKER

Make the next step happen

Each useful action has an owner, a date and a result that can be checked.

ACTION 1 Use one row per resupply stop or parcel and record its next review date.

Concrete next action	Owner / due

ACTION 2 Keep address checks, opening hours and tracking references in the note.

Concrete next action	Owner / due

ACTION 3 Update progress only from confirmed information and write a backup resupply action.

Concrete next action	Owner / due

IMPORTANT CONTEXT

This tracker does not monitor shipments or confirm current access, opening hours or trail conditions. Verify those directly before relying on a parcel.
