TRAIL WATER SOURCE VERIFICATION

Build the baseline

Write facts and sources before filling the main table. Do not guess at missing information.

Project or subject

Date or period

STEP 1 Label the source and record the date and origin of the information available.

STEP 2 Distinguish a report from a current confirmation of conditions.

STEP 3 Keep unresolved questions and a separately verified contingency plan visible.

STEP 4 Which fact or document still needs checking?

TRAIL WATER SOURCE VERIFICATION

Keep a dated record

Record what actually occurred. Reprint this page whenever you need more rows.

Reference period

Review date

RECORD OR REVIEW DATE	WATER-SOURCE REFERENCE	PERSON RESPONSIBLE	REVIEW PROGRESS	REPORT DATE, SOURCE AND BACKUP QUESTION

Outstanding question or record to confirm

TRAIL WATER SOURCE VERIFICATION

Make the next step happen

Each useful action has an owner, a date and a result that can be checked.

ACTION 1 Label the source and record the date and origin of the information available.

Concrete next action	Owner / due

ACTION 2 Distinguish a report from a current confirmation of conditions.

Concrete next action	Owner / due

ACTION 3 Keep unresolved questions and a separately verified contingency plan visible.

Concrete next action	Owner / due

IMPORTANT CONTEXT

A completed checklist does not establish water availability, potability or route safety. Verify current conditions and suitable precautions through authoritative sources.
